Girl 2 Well, we've got some food.
 We've got some cheese, some chicken, some tomatoes ...
 And we've got some plates here ... and forks and spoons.

- Girl 1** What a great place!
Girl 2 Yeah, I love it here!
Leo Are there any knives?
Girl 2 No, there aren't any. Sorry.
Leo No worries. Is there any tomato ketchup?
Girl 2 Ketchup? Yeah! Oh ... wait a minute. Oh, no. We haven't got any! I'm sorry. It's in the fridge at home.

- 1**
Tom Hey Jay, could I ask you a few questions about healthy living?
Jay Sorry, Tom. I'm pretty busy right now.
Tom It's for this healthy living survey. There are only six

questions, so it's not very long.

- Jay** OK, go on then.
Tom Thanks! So, first question. How often do you do sport?
Jay Well, I play football twice a week.
Tom Fantastic! Next question. How often do you spend half an hour or more outdoors?
Jay Hmm ... Well, I cycle to college every day, and I cycle fast because I'm always late. And it takes about thirty minutes.
Tom That's good exercise! OK, question three. How often do you go to a gym or other exercise class?
Jay Erm ... I go circuit training three times a week with my friend Dan.
Tom That sounds hard work!
Jay It is! But we're both doing really well, I think.

Jay I probably spend two hours on my laptop every day.
Tom OK, fine. Next question. How many hours do you sleep every night?
Jay Well, I could easily sleep for ten hours but my mum wakes me up. So I usually sleep about eight hours.
Tom Cool. Now, this is the last question. How often do you eat fruit?
Jay I always have fruit for breakfast.
Tom OK, good.

- 2**
Jay So, what are the results? Am I living healthily?
Tom Yes, you are! There are two points for every A-answer, one point for every B-answer and zero points for every C-answer. So your score is eight out of twelve! You just need to stop spending so much time on your computer!
